KMPA

KOREAN MINING PROFESSIONALS AUSTRALIA

FOR STUDENTS, APPRENTICES & EARLY-CAREER PROFESSIONALS

STUDENT MEMBERSHIP A$30 A YEAR · 학생 회원 연 A$30

Your first step into Australia's resources industry — with people who've already made it.

호주 자원산업으로의 첫걸음, 먼저 그 길을 걸어간 선배들과 함께. KMPA는 mine site, LNG plant, processing plant, METS 회사에서 지금 일하고 있는 한국계 전문가들이 만든 professional association입니다.

1:1 Mentoring
Site-experienced members across engineering, operations, trades and commercial roles

Careers program
Graduate programs, apprenticeships, vacation work, first-role insight

KO / EN
Bilingual community — 한국어와 영어 모두 편한 공간

A$30
Student membership per year · Early Career A$50

WHAT YOU GET · 학생·초기경력 회원이 얻는 것

Not just advice — people who will open a door and tell you what's behind it

조언만이 아니라, 문을 열어주고 그 뒤에 무엇이 있는지 알려주는 사람들.

01 Mentoring

Career mentoring with someone who does the job

Matched with a member working in the role or sector you're aiming for — mining engineer, geologist, operator, fitter, HSE, process engineer, LNG, METS. 현실적인 경로, 자격, 첫 직무에 대해 묻고 답할 수 있습니다.

02 Careers program

Industry entry, explained from the inside

Graduate program timelines, apprenticeship and traineeship pathways, vacation work, site visits, what hiring managers actually look for — and employer briefings where you meet them directly.

03 Knowledge Notes

Bilingual notes from site to boardroom

현장 노하우부터 industry insight까지 한국어·영어로 정리한 Knowledge Notes와 6개 practice community. 수업에서 배우지 않는 것을 배우는 곳.

04 Lead early

Volunteer leadership & student representation

Student rep roles, event support, communications — 이력서에 남고 네트워크가 생기는 진짜 역할. 학생 회원도 practice community에 참여합니다.

University students · TAFE & vocational · Apprentices & trainees · Graduates · Role transition · International students from Korea

JOIN AS A STUDENT MEMBER · 학생 회원 가입

Low cost to join. Serious about your career.

No degree or job-title requirement. Students join for A$30 a year; early-career members A$50 per year. Sign up on the website and choose a practice community to start.

KMPA

KOREAN MINING PROFESSIONALS AUSTRALIA

STUDENTS & EARLY CAREER · 학생·초기경력 안내

WHO KMPA MEMBERS ARE · 회원은 어떤 사람들인가

Eight role groups, four sectors, one community

Engineers are only one part of it — and that is the point.

- **Engineering & Technical** — mining, geology, geotech, survey, processing, planning, drill & blast, environmental
- **Operations & Production** — operators, drillers, shift supervisors, dispatch, control room
- **Trades & Maintenance** — fitters, electricians, technicians, reliability, maintenance planning
- **Oil, Gas & Energy** — LNG, offshore/onshore operations, process & subsea engineering, EPC
- **Safety, Commercial & METS** — HSE, training, project controls, contracts, finance, OEM, software, automation, AI

MEMBERSHIP · 회원 구분

Tier	Fee
Student University, TAFE, vocational	**A$30 / yr**
Early Career Apprentice, trainee, graduate, role transition	A$50 / yr
Founding Member Anyone working in resources, until 31 Dec 2026	A$150 / yr

What KMPA is not. We are not a job agency and do not place people for a fee. We open doors through mentoring, referrals and employer briefings — you walk through them. 개인 정보는 본인 동의 없이 recruiter나 sponsor에게 제공되지 않습니다.

HOW TO GET STARTED · 시작하기

1 · Sign up online

kmpa.com.au → Become a member → Student or Early Career. Tell us your course, trade or target role.

2 · Pick a community & mentor

Choose one of six practice communities. Request a mentor in the sector you're aiming for — opt-in, no pressure.

3 · Show up

Come to an event, an employer briefing or a Knowledge Notes session. Volunteer for a role if you want to build your network faster.

Do I need to be an engineer?

No. Trades, operations, HSE, commercial and METS are equal members. 학위나 직함 조건이 없습니다.

Do I need Korean heritage?

KMPA is built for Korean-heritage professionals, but anyone with a substantive Korea–Australia resources connection can join as an Affiliate.

I'm still in Korea / not in Perth. Can I join?

Yes. Membership is not limited to Perth — members work across WA, QLD, NSW and with Korea-linked projects. 한국에서 유학·취업을 준비 중이어도 환영합니다.

For universities & TAFEs

Student societies and careers offices

KMPA welcomes partnerships with Korean student societies, mining/engineering schools and careers services — guest talks, mentoring intakes, site-experienced panels. Contact info@kmpa.com.au.

Timeline

2026 foundation year → programs from 2027

2026 is KMPA's foundation year. Mentoring intakes, the student careers program and events scale up from 2027 — joining now means you shape them. 지금 가입하면 프로그램을 함께 설계하게 됩니다.

Korean Mining Professionals Australia Inc.
